

**SENSE**

SAPC 9987 cp. 2 of 5

29 October 1956

**MEMORANDUM FOR:** Project Director and  
Deputy Project Director

**SUBJECT** : Use of Toxic Substances

1. As a follow up on the blood changes found in a few men working with toxic substances at [REDACTED] I had [REDACTED] send me further examinations.

25X1A9a

2. The group showing the suspicious changes have now returned to a normal level, so we feel that the situation is under control and no more untoward results are expected.

3. All personnel involved have been indoctrinated in the caution procedures to be followed when using such substances, and we do not anticipate any further problem.
